COMPANY PROFILE

LAYING THE FOUNDATIONS OF THE FUTURE

METAXAKIS ATHAN.A.B.E.E. Group of Enterprises has been active in the overall field of contract furniture for more than 50 years and enjoys the utmost recognition both in the Greek market and in the 40 foreign countries where it exports.

Describing a dynamic path of growth for a number of years, METAXAKIS Group is unquestionably the Leader in its field, offering unique products and services which fulfill every demand and exploit the facilities of all companies in the best of ways.

FROM A TO Z

METAXAKIS ATHAN. A.B.E.E. Group's vertical production process spans from the study and design stage, to the certified final production and delivery of the products.

This is one of the elements which ensure the complete coverage of professional furniture requirements of every company, from the private and public sector.

Hotels, restaurants, cafes, bars, as well as companies looking for comprehensive solutions for the office, describe the group's extended clientele both from Greece and the international market.

WARRANTY - SUPPORT

All products undergo the strictest quality controls, come with written warranty, and are fully covered by the group's technical support department!

ALL AROUND COVERAGE

The primary production stage in METAXAKIS Group's factories in Greece and abroad, combined with the large imported quantities from selected partners, ensure the market's best prices, without any "sales" in the quality of products.

The experience and training of the Group's personnel guarantee the best possible results in the study, design, implementation and optimal exploitation of all spaces.

By meeting the requirements and requests of each customer separately, we offer products and services that are 'tailored to fit" your desires.

As a result of this, we regularly maintain the largest collection of furniture and related articles in Greece, satisfying the most demanding expectations in the best of ways.

AN EXPORTING FORCE

The international activities of Group and the 50 years of its products' dynamic presentation all over the world proves in the best way the quality of the name who sign each product.

DESIGNERS

by pininfarina

Pininfarina Extra, is part of the world-famous design house Pininfarina, whose history traces back to 1930 when the company was established by Battista Pinin-Farina, who became the most acclaimed car designer of his time For example the Cisitalia 202 by Pininfarina (1947), was the first and only car to enter into a permanent display at the MoMA of New York, in 1961. Up to today, more than 100 Ferrari cars that have gone into production have been designed by Pininfarina.

In 1986, the third generation of the Pininfarina family created Pininfarina Extra srl to extend the design capabilities of the company, outside of the automotive sector. Over the past 30 years, Pininfarina Extra has developed more than 600 projects under the direction of its President and Chief Executive Officer, Paolo Pininfarina (now Chairman of the Pininfarina Group), and has established its own direction and a clear identity.

Today the company has ventured into a variety of commodity sectors where products bearing the Pininfarina name have won acclaim in the world's leading markets. The company attempts to blend the most advanced features of scientific, technological and engineer-

Color: Blue or Taupe All wooden parts are made of solid teak wood.

A collection designed by Claudio Bellini that is inspired by the charm of Italy, its naturally expressive sceneries, relaxing seasides, and sunshine that is still and pure. The AIO collection is a feeling of absolute relaxation and comfort that envelops you and takes you to the exact Italian feeling. The majestic and refreshing texture of sands inspires the grains and surface of this collection. A sight to the eyes with its special and distinct color, especially when the sun shines on it highlighting its detailed textures. The iconic element of this collection is done with rope, which is known to be strong and tough material. The blend and showcasing of rope details with smooth curved silhouettes make this collection one to remember!

Color: Blue or Taupe All wooden parts are made of solid teak wood. The decorative pillows are included.
